PARKING LOTS

There are several parking lots on the property of the Tett Centre and Isabel Bader Centre.

The small parking lot east of the Tett Centre (left side in the photo) is the 5-minute parking lot. This parking lot is regulated by The Tett Centre for Creativity & Learning.

The Tett Centre is a fully accessible facility. Accessible parking spaces are available across from the Tett Centre's main foyer (right side in the photo). Please ensure your accessible parking permit is visible and follow the signage requirements as indicated as numbered spots are reserved for staff and tenants Monday to Friday, 8am until 6pm. Our building has an elevator on the King St. W. side of the building. Guide dogs are welcome in the building.

LOADING ACCESS / DELIVERIES

Delivery and pick-ups must be within the Renter's access times or arranged in writing with the Tett Centre staff, as access into the rental spaces may unavailable. Please note that the Tett Centre does not have a service elevator.

Renters and third-party suppliers may deliver through the front lobby of the Tett Centre.

Renters and third-party suppliers may temporarily park in Morton Lane while actively unloading/loading supplies into the 2nd floor loading bay.

Please do not leave deliveries unattended in shared public areas of the building. The Tett Centre is not liable for damage or theft of items belonging to the renter and their third-party vendors.

If you have questions about these two parking lots and Morton's Lane, please contact the Tett staff at (343) 266 – 0009 extension 3091. If you have an event in

our rental spaces, please email the Tett Rentals Coordinator at rentals@tettcentre.org.

LOWER AND UPPER PARKING SPOTS & FEES

The lower west parking lot is beside our neighbour, The Isabel Bader Centre for the Performing Arts. Visitors may enter from King St. West (there are streetlights at the intersection) and proceed to the large parking lot at the end of the driveway.

The upper west parking lot is accessed directly from the southside (lake side) of King St. West, just west of the entrance to the Tett Centre and The Isabel Bader Centre. Please note that we do not recommend visitors with mobility needs to park in the upper west parking lot as there isn't a sidewalk on the south side of King St. West.

If you are visiting the Tett Centre on a Monday through Friday, from 8:00 am to 5:00 pm, there are unnumbered parking spots available in the lower parking lot beside the Isabel Bader Centre at a cost of \$2.00 per hour. Please note that the numbered spots are for Tett and Isabel staff and who have permits. Please refer to the tenant signage in the parking lot for the permit dates and hours.

Additional pay and display parking is available in the Corrections Canada upper parking lot off King Street West. Please note that the Queen's does not own this upper lot and there is no sidewalk connecting it to the sidewalk on King Street West.

Please use the HONK app to purchase your time in the lower and upper parking lots.

Parking is free and on a first-come, first-serve basis in the lower and upper parking lots after 5pm, Monday to Friday, and on weekends.

For more information about parking rules and enforcement, please contact Queen's Parking at 613-533-6979 or parking@queensu.ca.

Parking is also available in the residential neighborhood on the north side of King Street West. Please check the parking signs on the public streets and do not block private driveways.
